1 Website Admin Manual

1.0 Login Page

This login page requires the admin to insert their username and password to redirect to the admin home page.

The screenshot shows the Admin Login Page. It features a 'Welcome' heading, input fields for 'USERNAME' and 'PASSWORD', a 'SIGN IN' button, and a link for 'User Sign In'. A large grey sidebar on the right displays 'WELCOME ADMIN!!!!'. Three callout boxes provide additional information: the first points to the login form stating that incorrect credentials will result in an error; the second points to the 'SIGN IN' button stating it can be clicked after correct login details; the third points to the 'User Sign In' link stating it can be used to redirect from the admin login page to the user login page.

The admin needs to fill out this form to login. If not, an error will display preventing the user from accessing the home page.

The admin can click on the sign-in button after entering the correct username and password.

If user accidentally opens the admin's login page, they can simply click the button to redirect to the user login page.

1.1 Home Page

This page will display the details of the crowdfund project details project that our system provides. There is a navigation bar on the left side of the page. If the user wants to be redirected to another page, user can click on any of those buttons which is home, funder history, profile or edit project

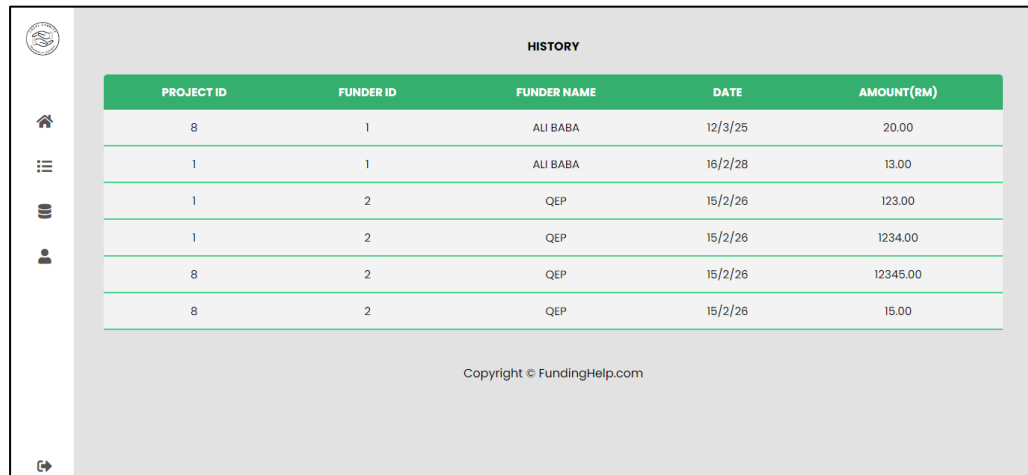

The screenshot displays the Home Page. At the top, there are three images: a large crowd protest, a person in a white shirt with 'KAP' on the back, and a crowd holding signs for 'FREE GAZA'. Below these images is a table titled 'PROJECT LIST' with four columns: PROJECT ID, PROJECT NAME, PROJECT DESC, and DATELINE. The table contains three rows of project data. At the bottom, there is a link for 'EDIT PROJECT' and a copyright notice for 'Crowd Funding'.

PROJECT ID	PROJECT NAME	PROJECT DESC	DATELINE
4	Blood donator	Together we share	2023-10-01
1	Donate	Justice For People And Planet	2024-01-20
2	Palestine	Help people in gaza	2024-10-20

1.2 Funder History Page

This page will show the admin details of funding from all users/funders. The data include the project ID, funder ID, funder name, the date that the funder donated, and the amount of the donation for each transaction.

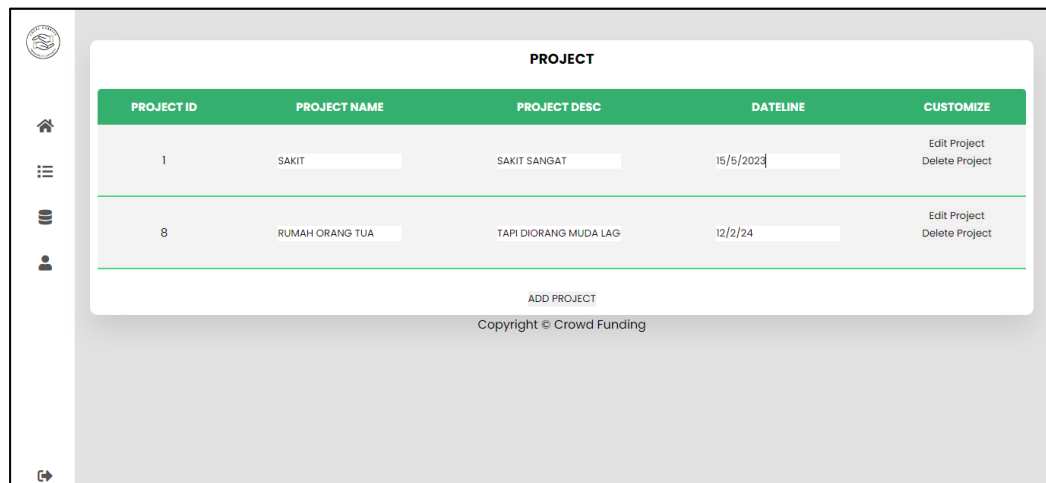

The screenshot shows a web application interface with a sidebar on the left containing icons for home, menu, database, and user. The main content area is titled "HISTORY" and contains a table with the following data:

PROJECT ID	FUNDER ID	FUNDER NAME	DATE	AMOUNT(RM)
8	1	ALI BABA	12/3/25	20.00
1	1	ALI BABA	16/2/28	13.00
1	2	QEP	15/2/26	123.00
1	2	QEP	15/2/26	1234.00
8	2	QEP	15/2/26	12345.00
8	2	QEP	15/2/26	15.00

Below the table, the text "Copyright © FundingHelp.com" is displayed.

1.3 Edit Project Page

This page will allow the admin to edit the project details (project name, description, and the dateline of the project) after clicking the Edit Project button. Also, this page will allow the admin to delete the project and add the project.

The screenshot shows a web application interface with a sidebar on the left containing icons for home, menu, database, and user. The main content area is titled "PROJECT" and contains a table with the following data:

PROJECT ID	PROJECT NAME	PROJECT DESC	DATELINE	CUSTOMIZE
1	SAKIT	SAKIT SANGAT	15/5/2023	Edit Project Delete Project
8	RUMAH ORANG TUA	TAPI DIORANG MUDA LAGI	12/2/24	Edit Project Delete Project

Below the table, the text "ADD PROJECT" and "Copyright © Crowd Funding" are displayed.

1.4 Add Project Page

This page will allow the admin to key in the details of the new project. If the admin wants to cancel, they can click the BACK button to go to the home page again.

ADD PROJECT			
PROJECT NAME	PROJECT DESC	DATELINE	CUSTOMIZE
<input type="text"/>	<input type="text"/>	<input type="text"/>	Add Project

2 Website User Manual

2.0 Login Page

A login page is a web page or user interface component designed to authenticate users and grant them access to a secured system or application. This login page requires the user to insert their username and password to redirect to the home page.

The image shows a login page mockup with the following elements and annotations:

- Form Fields:** "USERNAME" and "PASSWORD" input fields.
- Buttons:** "SIGN IN" (orange) and "SIGN UP" (white on dark background).
- Links:** "Admin Sign In" (blue text).
- Annotations:**
 - Red arrow from "The user needs to fill out this form to login. If not, an error will display preventing the user from accessing the home page." points to the username and password fields.
 - Red arrow from "The user can click on the sign-up button to register their new account." points to the "SIGN UP" button.
 - Red arrow from "The user can click on the sign-in button after entering the correct username and password." points to the "SIGN IN" button.
 - Red arrow from "If admin accidentally opens the user's login page, they can simply click the button to redirect to the admin login page." points to the "Admin Sign In" link.

2.1 Register Page

Users can sign up to create an account if they don't have any. This page typically collects essential information from users to create their profile and facilitate their participation in crowdfunding activities.

The image shows a register page mockup with the following elements and annotations:

- Form Fields:** "NAME", "EMAIL", "PHONE", "USERNAME", and "PASSWORD" input fields.
- Buttons:** "SIGN IN" (white on dark background) and "SIGN UP" (orange).
- Annotations:**
 - Red arrow from "The user can click on the sign-in button if they already have an account." points to the "SIGN IN" button.
 - Red arrow from "The user needs to fill out this form to sign-up. If not, an error will display preventing the user to create an account." points to the "NAME", "EMAIL", "PHONE", "USERNAME", and "PASSWORD" fields.
 - Red arrow from "The user can click on the sign-up button to create new account." points to the "SIGN UP" button.

2.2 Home Page

A home page is the main or initial webpage of a website, serving as the entry point for users. It may include elements such as a personalized welcome message, pictures about Palestine, and list fund. There is a side bar on the left side of the page. If the user wants to be redirected to another page, user can click on any of those three buttons: home, dashboard, or profile.

The screenshot shows a web application interface for 'CROWD FUNDING'. On the left is a sidebar with a logo and three navigation buttons: 'Home' (house icon), 'Dashboard' (stack of coins icon), and 'Profile' (person icon). At the bottom of the sidebar is a 'Log out' button with a door icon. The main content area has a header 'WELCOME TO CROWD FUNDING' above three images of protests. Below this is a 'LIST FUND' section with a table:

PROJECT ID	DATELINE	PROJECT NAME AND DESCRIPTION
121	6-12-2024	Gaza Dihatiku - Tabung Gaza Palestin
100	19-02-2024	Blood Donation - Together We Share

Below the table is a 'DONATE NOW !!!' button. The footer contains 'Copyright © FundingHelp.com'. Five callout boxes with red arrows point to specific elements: the 'Home' button, the 'Dashboard' button, the 'Log out' button, the 'DONATE NOW !!!' button, and the 'Profile' button.

The user can navigate to the home page by clicking on this button.

The user can navigate to the dashboard page by clicking on this button.

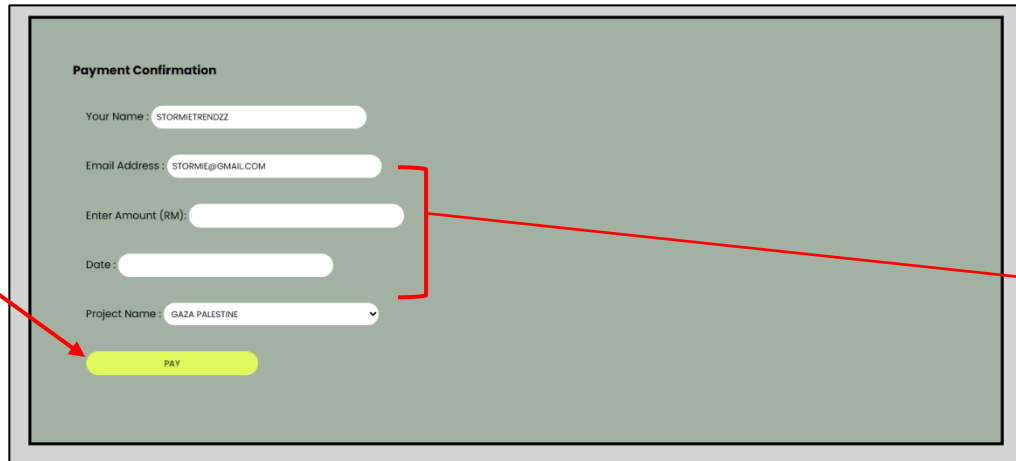

The user can navigate to the dashboard page by clicking on this button.

If the user wants to log out, user can do so by clicking the logout button.

The user can make a donation to any of the funds by clicking the "Donate Now!!!" button.

2.3 Payment Page

A payment page is a critical component where users finalize their financial transactions to support or back a specific project. This page is designed to securely handle monetary transactions and gather necessary information to process payments effectively.

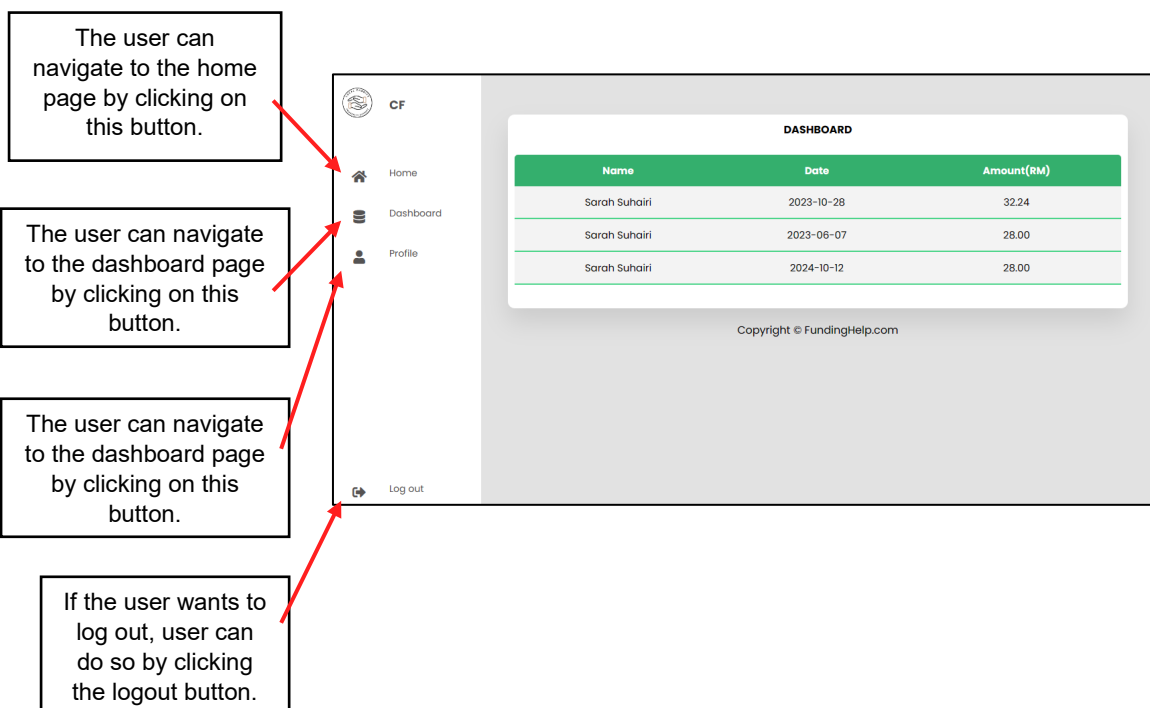

The image shows a 'Payment Confirmation' form with the following fields: 'Your Name' (STORMIETRENDZZ), 'Email Address' (STORMIE@GMAIL.COM), 'Enter Amount (RM):', 'Date:', and 'Project Name' (GAZA PALESTINE). A yellow 'PAY' button is at the bottom. A red bracket groups the 'Enter Amount (RM):', 'Date:', and 'Project Name' fields, with a red arrow pointing to a text box on the right. Another red arrow points from a text box on the left to the 'PAY' button.

User can click on the "Pay" button to continue making a payment.

The user must enter the wanted donation amount, date, and project.

2.4 Dashboard Page

A dashboard page is a user interface element that presents key information and data in a centralized and visually intuitive manner. This page will display all the details that user has donated into this website. We can see the donation information, which include the name, date, and amount (RM). There is a navigation bar on the left side of the page. If the user wants to be redirected to another page, user can click on any of those three buttons: home, dashboard, or profile.

The image shows a dashboard page with a navigation bar on the left and a table of donations. The navigation bar has buttons for 'Home', 'Dashboard', 'Profile', and 'Log out'. The table has columns for 'Name', 'Date', and 'Amount(RM)'. The table contains three rows of donation data. Red arrows point from text boxes to the navigation buttons: 'Home', 'Dashboard', 'Log out', and 'Profile'.

Name	Date	Amount(RM)
Sarah Suhairi	2023-10-28	32.24
Sarah Suhairi	2023-06-07	28.00
Sarah Suhairi	2024-10-12	28.00

Copyright © FundingHelp.com

The user can navigate to the home page by clicking on this button.

The user can navigate to the dashboard page by clicking on this button.

The user can navigate to the dashboard page by clicking on this button.

If the user wants to log out, user can do so by clicking the logout button.

2.5 Profile Page

A profile user page is a page or area of an application or website that contains individualized information about a specific user. This page generally contains information such as the users username, ID, email address, and telephone number. There is a navigation bar on the left side of the page. If the user wants to be redirected to another page, user can click on any of those three buttons: home, dashboard, or profile.
